

## THE PRIVACY POLICY

This privacy policy regulates the use of the application software that WHERE AM I for mobile devices created by Francesco Maggio.

No information is available for third parties except Google.

Information provided

The application obtains the information provided during the download and accepts the necessary permissions to run the application. Some permissions are granted to the runtime application.

This information is simply used for use based on the functionality of this application.

All data are managed offline.

- Authorization to access the position of the device, essential for knowing the geographical coordinates (ACCESS\_FINE\_LOCATION):

This information is used for basic use simply based on the functionality of this application.

You can easily stop the entire collection of information from the application by uninstalling it.

Standard uninstallation processes can be used as they may be available as part of the mobile device or via the mobile application market or network. You can limit the reading of some content through permissions, however this can cause the application to stop.

All data stored outside your device is located on the Google server as data analyzed on the Google Analytics platform.

Note that some or all of the data provided by the user may be required for the correct operation of the application.

Keep in mind that although we try to provide reasonable information security

Processing and maintenance, no security system can prevent potential security breaches.

We use AdMob (Google Mobile Ads SDK) to serve ads. Google can use the advertising ID of

the device on which the ad is served to generate interest and demographics. Interests, demographics,

and other data could be used to offer the user more targeted ads.

### Changes

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our privacy policy by entering the new privacy policy with an in-app notice of the app. We recommend that you periodically review the privacy policy for any changes, such as continued use that is considered to approve all changes.

### Your consent

By using the application, you consent to our processing of your information as set

Please proceed to this Privacy Policy and modified by us

## Contact

If you have any questions about privacy while using the application or have questions

As for our practices, please contact us by email at [section11@gmail.com](mailto:section11@gmail.com)
